## LYCKAS MED PLATT ORGANISATION

## Rev pyramiderna – växer så det knakar

Platt organisation kan lätt bara bli ett buzzword. På Centiro har man skippat traditionella titlar och alla viktiga beslut tas av medarbetarna själva. Resultatet? Expansion och fokus på innovation.

A person stands in a dense forest, holding a large, white, fluffy cloud above their head with both arms. The word "Strategi" is written in a gold, serif font across the cloud. The forest floor is covered in green moss and ferns, and the trees are tall and thin, with some light filtering through the canopy.
